BRICK VOLUME COMMISSION

VYVO's Smart Plan actively encourages a complete culture of everyone helping everyone to succeed together.

For your personally sponsored Members and customers, VYVO will pay USD\$10 for every 300 SV as they enroll new members and customers on both their Left and Right Teams.

SMART PLAN ACTIVATION

The qualification volume can be accumulated within 30 days from the first purchase or referral volume.

A Member with a CRP contract can earn the Fast Retail Bonus without any activation.

In order to participate in the VYVO Smart Plan and maintain a position, a Member must refer or purchase at least one product.

Participation in the Smart Plan requires the Member to have an active subscription at the time of each commission calculation.

RANK RECOGNITION

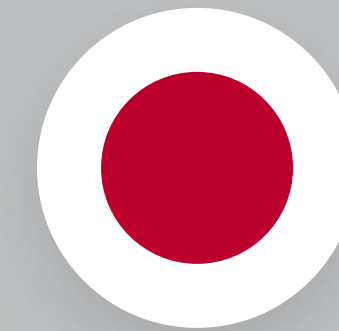

Rank qualification is required during every Commission Period. This rank, known as the **"Cycle Rank"** is based on achieving specified Cycle Rank volumes produced during that period.

At the same time, this Cycle Rank volume is added to the previous 3 Cycle Rank volumes, in order to determine your **"Title Rank."**
