

**ENTER
THE BRIGHTEST WORLD
OF HEALTH & WELLNESS.**

1

VYVO™ SMART PLATFORM

VYVO™ SMART IS THE SOLUTION THAT KNOWS YOU ARE UNIQUE.

It is centered on what makes you unique and uses it to help you positively impact your health, wellness, and longevity. All while assisting you in diminishing the risks of developing bad habits and chronic diseases.

When you enter the VYVO™ Smart Subscription, you discover a world of services tailor-made to you, based on your needs and habits.

The base-level allows you to access the essential digital services and get the benefits of the high personalized Oracle A.I. services while the following levels open the doors to the personalized Supplements.

LET'S BUILD A FUTURE TOGETHER.

Live up to your full potential. Start a personalized journey.

Tailor-made supplements attuned to the collection of your daily measurements, and receive the best solution adapted to your unique body.

For you, based on you.

2

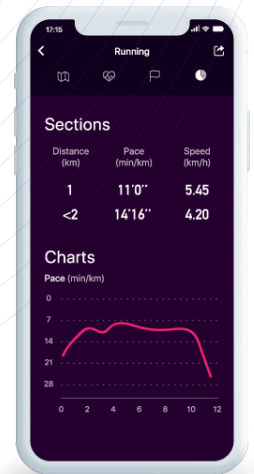

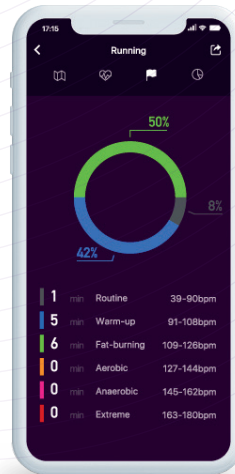

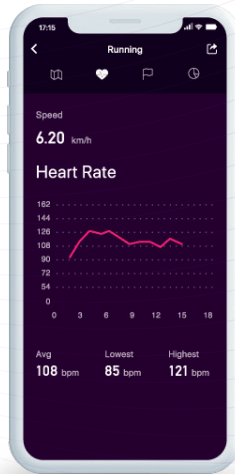

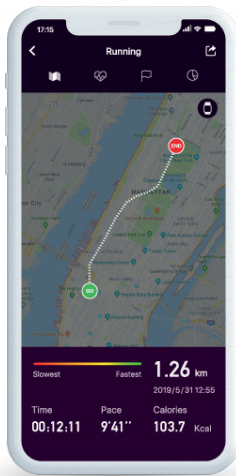

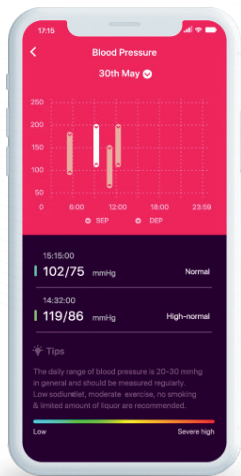

VYVO™ SMART APP

Our dedicated VYVO™ SMART App offers you the best path to achieve your health and well-being goals, with an A.I. platform that makes it easy to receive and understand the impact of your biometric and vitals data in real-time with a simple click!

A user-friendly interface allows you to get to all your information quickly, and it also makes it easy to share it with your doctor and your loved ones.

All your measurements are readily accessible at any time within your app, always available for you to further understand and monitor your progress.

3

VYVO™ SUBSCRIPTION

VYVO™ SUBSCRIPTION PLAYS A CENTRAL ROLE IN OUR MISSION.

Every member enjoys their pursuit of life-changing health benefits, taking care of their loved ones, and benefit from a complete offer of services to reach the peace of mind they deserve.

DIGITAL SERVICES

WE CARE

Staying in touch with loved ones. You can add to your WeCare list up to 100 members and remotely monitor their vitals, read their report, and receive insights into their current health condition and support each other in a journey to a healthier, happier life.

GUARDIAN

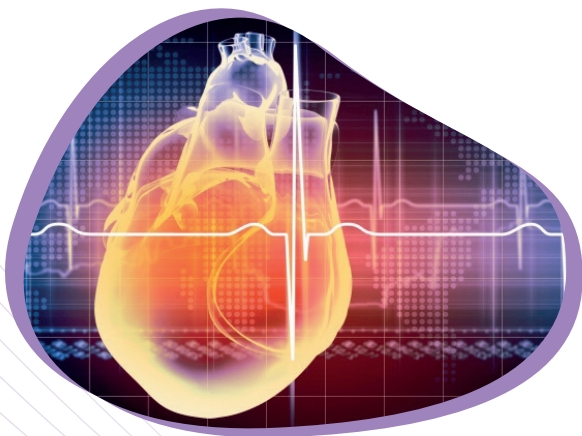

You can directly set up from your VYVO™ device, and from the VYVO™ Smart APP, the levels of alarms you want to generate in case of anomalies detected, emergency distress signals, notifications, and simple alerts. They can be sent via SMS, e-Mail, and instant push notification to your ICE contact (*In Case of Emergency contact*) or selected WeCare List.

SOS - PANIC BUTTON

You can send SOS messages in case of emergencies or panic situations to your Guardian or WeCare contacts informing them about your emergency situation and exact GPS location.

Note: The service requires a Smartphone with an internet connection to be within not more than 20 meters or 65 feet from the device.

CONTINUOUS ATRIAL FIBRILLATION DETECTION

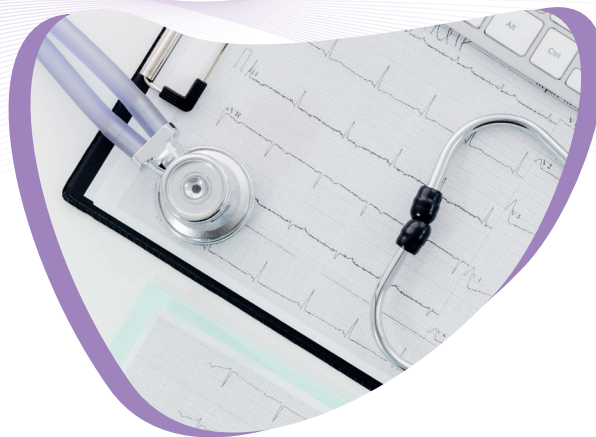

Choose to have a continuous monitor, H24, of any Atrial Fibrillation event, alerting you and your contact via Guardian.

(Medical Device Class II b - Certification Submitted)

UNLIMITED ON DEMAND EKG/ECG ARRHYTHMIAS ANALYSIS

Perform unlimited numbers of A.I. analysis of your ECG session and get results in real-time.

(Medical Device Class II b - Certification Submitted)

UNLIMITED BIAN QUE'S PULSE WAVE DIAGNOSTIC

Run unlimited sessions of Pulse Wave diagnostic to check the status of 12 organs, using the Oriental discipline and approach to the analysis of the pulse wave by Bian Que's technique.

UNLIMITED DATA RECORDING

For you, those you care for, or your caregiver, all are able to access unlimited access to your bioparameter data at any time, to help you stay safe.

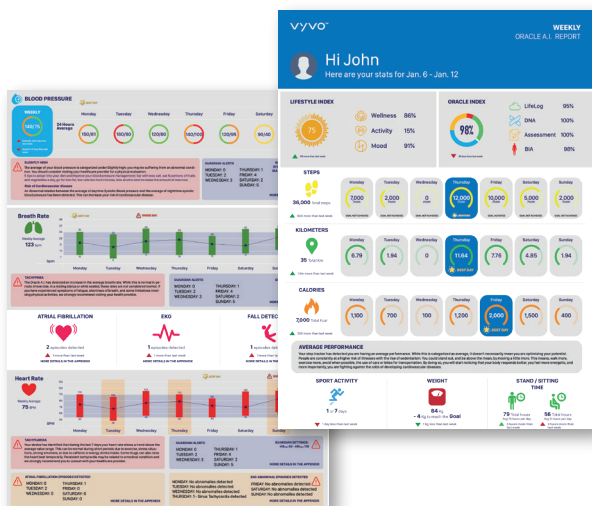

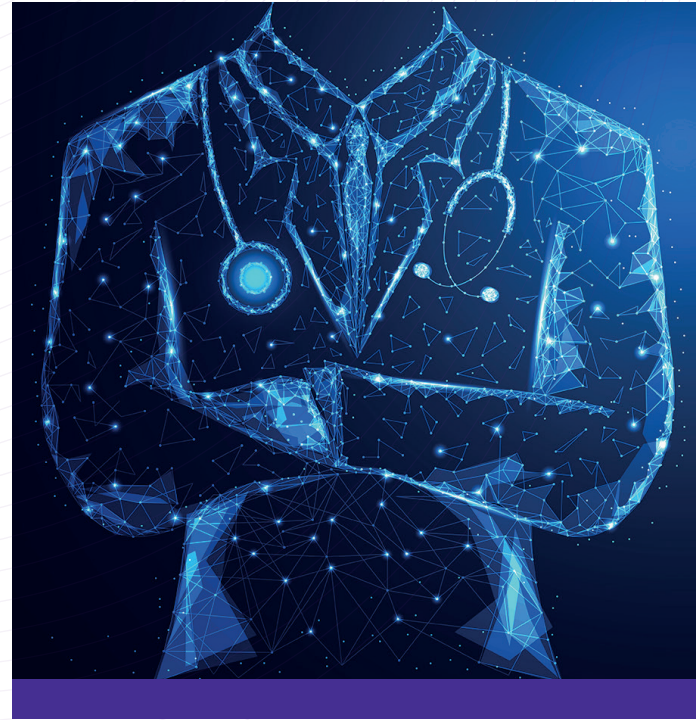

ORACLE A.I.™

Starting from your Personal Assessment and your daily bioparameters, our Oracle A.I. generates a personalized report with your data every 30 days.

Oracle is able to detect and report possible disorders, abnormalities in your Blood Pressure, or Cardiovascular condition, detecting many types of arrhythmias or fibrillation concerns. It is also able to assess potential risks of sleep disorders or any imbalance in your energy intake or utilization.

This state-of-the-art A.I. process can then produce your personalized Health and Wellness Plan. This is a fully customized report, based solely on YOU, that gives you a daily action plan for improved health and well-being.

NEW SESSION AVAILABLE ON ORACLE A.I.™

The Oracle A.I.™ report will become weekly, and there will be a new session added about your health status and tips to improve it, new descriptions and information about the benefits and effects of your personalized NutraPak™ are now added to the report.

Daily, Weekly, and Monthly reports and Real-Time notifications will help you live with peace of mind.

NUTRAPAK™ SUPPLEMENT

With our innovative technology, we have designed a unique, science-backed wellness program that offers you a personalized vitamin and nutrient recommendation. Our NutraPak is formulated from high-quality bioavailable ingredients. Your real-time bio-parameter data, allow for maximized personalization, giving your body the best possible nutrition.

You now have a tailor-made supplement that is formulated to match your body's specific needs.
